THE MADISON WOMEN'S EXPO is a wonderful opportunity to connect with thousands of active and enthusiastic women. In addition to your booth space, the expo provides 3 stages for select exhibitors to perform a 30 minute demonstration, class, or presentation on a topic that will inspire, educate or entertain our attendees.

Stages are curated by Expo Director Ashley Duchemin. All applications will be considered for their content, entertainment or educational value it would have for our attendees. After filling out this form, you will be contacted by Ashley to discuss your topic and experience. If selected, scheduling, stage set up and other expectations will also be discussed.

Presenters are welcome to use their business name, product or profession, but the intention should not be a 30 minute sales pitch to use their product or visit their store. Sound equipment for music and a microphone will be provided, but handouts or other materials must be supplied by the speaker.

If you have any questions related to your proposed stage presentation or this form, please contact Ashley Duchemin directly at 262-729-4471 ext 102 or email and@ntmediagroup.com

A final schedule will be decided no later than October 5, 2018.
